

Garrett Ross.

Designer.

Hello, my name is Garrett and I like to get things done. I'm not pretentious, I don't want to play office politics, I just want to create good work that serves a purpose. I can work in a variety of styles and I'm not afraid to learn and adapt. I've heard I'm easy to work with! Hopefully we can work together.

WORK EXPERIENCE

2015 – PRESENT

DESIGNER

GNOMON | Los Angeles, CA

Main graphic designer for "The MIT of Art Schools" in Los Angeles.

Took care of everything from images for social media to creating infographics that explain complex educational offerings. Collaborated with multiple departments and third-party vendors. Helped curate and print gallery shows. Contributed to bigger-picture creative decisions. Maintained a website written in ruby and updated using GitHub. Edited video and created motion graphics.

2011 – 2014

DESIGNER

THE RISC GROUP | Los Angeles, CA

Main graphic designer and web designer for a group of companies in Los Angeles, including a record label, clothing label, video production company and charity group.

2010 – 2011

DESIGN INTERN

AMIT APEL DESIGN CO. | Thousand Oaks, CA

Graphic/web design intern for an architectural design / product design firm. Maintained various websites and social media.

FREELANCE EXPERIENCE

COMEDY CENTRAL

Key Art + Promo Art for Cristela Alonzo, Kurt Metzger and Artie Lange's stand-up albums.

RIOT LA

Designed every piece of art for an annual comedy festival in DTLA for 5 years.

JASH

Title art, stage elements, poster designs and pitch art for various youtube series, live shows and TV commercials.

NERDIST INDUSTRIES

Designed the website, blog and ticketing for the Nerdmelt Theater, dozens of live comedy show posters and the shopify store for Nerdist.

CLEFTCLIPS

Designed hundreds of posters for the weekly comedy show "Hot Tub with Kurt and Kristen", the monthly show "Super Serious Show," and a Spike Lee-directed HBO Special.

TYPE 55 FILMS

Various motion graphics work and poster work.
